

I have recently financed a purchase of a vehicle with Roadrunner Financial Inc, which requires, among other things, the following:

- A.** I must maintain physical damage insurance coverage on the financed vehicle for the entire term of the contract.
- B.** This physical damage insurance coverage must not exceed \$500.00 deductible comprehensive (or fire, theft, and combined additional coverage) and \$500.00 deductible collision.
- C.** The policy must name Roadrunner Financial Inc as Loss Payee and coverage must be in effect on the date of contract.

**Roadrunner Financial Inc
PO Box 167888
Irving, TX 75016**

I understand that physical damage insurance does not include liability coverage. Liability coverage or a bond is required to operate a vehicle in some states. Please contact your insurance agent or insurer for more information.

I understand that insuring the above vehicle is a condition of financing and that if for any reason the below described insurance is not obtained and continuously maintained, then Roadrunner Financial, Inc. may, at its option, secure insurance according to the terms of my contract or declare the contract in default. I authorize Roadrunner Financial, Inc. to add the premium and related financing charges for such insurance to the contract balance if the insurance is purchased for me by Roadrunner Financial, Inc.
